Laola changes people's approach in the organization of their work space, using configurable and interchangeable modules, maintaining at the same time the typical functions of an office table and chair, like ergonomics, comfort and equilibrium with the environment.

Laola cambia l'approccio delle persone nell'organizzare il loro spazio di lavoro, utilizzando moduli configurabili ed intercambiabili, pur mantenendo le funzioni tipiche di un tavolo e sedia di ufficio, quali ergonomia, confort e equilibrio con lo spazio circostante.
